- DVAuction
Jim Scheel 605-545-1521

Schedule: 10:00 a.m. - Cattle on display
Noon - Complimentary meal
1:00 p.m. - Sale begins

Video Auction: All bulls will be on video and will be available to see on our website – www.MandEangus.com. Live internet bidding will be available through DV Auction.

Announcements: Announcements made sale day take precedence over printed material in the sale catalog. Anyone attending the sale attends at their own risk.

Semen Check: Will be done before the sale. The bulls will also be poured and given a PregGuard, anthrax, and foot rot shot.

Liability: All persons attending the sale do so at their own risk. Kroupa Ranch assumes no liability for accidents or property loss that may occur.

Photo Credit: Daniel Kroupa and James Kroupa

Bull Pictures: Kyla Fawcett, Focus Marketing

Bulls are all Parentage tested and have genomic enhanced EPDs

Herd Health: All bulls have been on a complete vaccination program. They received Bovi-Shield GOLD 5, one shot of Pasteurella, and ULTRABAC 7. They had boosters in August and November. Bulls have tested negative to BVD. All work was done by Central Dakota Animal Clinic (Platte, SD).

Semen Interest: We reserve the right to collect semen for use in our herd, on all bulls sold. This will be done at our expense and the buyers convenience.

Trucking: We will deliver within 200 miles of Kimball by early-May. All bulls left at the ranch will be done at the buyer's risk.

Volume Discount: 3 bulls - 3%, 4 bulls – 4%, 5 bulls – 5%

Inclement weather or postponement: Listen to KMIT 105.9 radio

The Bulls will be penned for viewing but will not go through the sale ring on sale day.

Welcome to our 30th annual production sale

Welcome to our 30th annual production sale. While the cattle industry has seen a lot of changes over the last 30 years our breeding philosophy remains the same. Homesteaded in 1882, the 4th, 5th & 6th generations are active on the Kroupa Ranch. We know the importance of controlling the things we can and culling rigorously for undesirable animals and focusing on traits such as maternal instinct, fertility, feet and udder quality, disposition, all while maintaining carcass quality for our steers.

Through management and time we feel we have maintained our maternal qualities, and it has also allowed us to have steers that'll finish weighing upwards of 1700#s and grade 100% choice or better. Many of the cow families backing these bulls have roamed Brule County pastures since the 1950s and 60s. They've stood the test of time and have adapted remarkably. We believe in being slow and steady the course, not chasing fads or extremes. Our focus is on the principles that have gotten us here, 144 years on the Kroupa Ranch.

Thank you for your consideration and we welcome any and all of you.

The Kroupa Family

HEIFER PAIRS

We are offering 40 heifer pairs with calves by side. They were born in a 1 week period starting around March 1, and are sired by Bruns Exclusive 273 and GDAR Coalition 0493. Heifers have been on a complete vaccination and mineral program and the calves were all given Inforce 3 at birth. For logistic reasons we will only have a sample of the pairs on site sale day. Please call Michael to view heifer pairs prior to the sale. Videos will also be taken of the pairs. Winning bidder must take 5 pairs, with option to take all 40. Heifer pairs will weigh in the 1,350 lb range. We understand that not everyone may have a place to go with the pairs right away, for buyers convenience we are willing to help you get the pairs closer to green grass and keep them till May. Contact Michael for details.

We bought this farm during the energy crisis in the early 1980s. My Grandmother Marie Kroupa, thought that we could all (five families) move in and live under one roof. Never happened. As a young boy I remember saying to Grandpa Otto, "you own all of this". His remark, "No Marvin, I just get to use it".

A fragile generation - my grandparents (born in 1904 and 1909). Thank you both for your wisdom and kindness.
